Description Quantity of 10 or more purchased-5% discount

Acer Campestre (Hedge Maple) - 20Hx20W 1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5"
 Very tolerant of heat and drought. Responds well to
 Direct sunlight. Dark green foliage turns yellow in fall. \$119 149 179 209 399 449 499 569 699

Acer (Ginanala) - 20Hx20W 1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5"
 Distinctive orange-red fall color. Grown both as a
 single-stemmed and multi-stemmed tree. Can be used
 as a screen or hedge. Does well in containers. Very
 hardy. \$119 149 179 209 399 449 499 569 699

Acer Ginnala Flame (Amur Maple) - 15Hx20-25W 1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5"
 A more vigorous selection of ginnala from the USDA,
 with striking red fall color. Dense shrub or small tree \$119 149 179 209 399 449 499 569 699

Acer Dissectum (Green Cascade Japanese Maple) 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 The form is very unique for a japonicum, that is, weeping
 Or pendulous very similar to a palmatum dissectum. Also
 it has a very nice cut leaf which is quite rare for this type
 of plant. The fall colors are yellow-orange with crimson
 splashes. \$89 109 149 169 299 359 499

Acer Dissectum (Waterfall Japanese Maple) 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 This plant is the recipient of the PHS Gold Medal Plant
 Award for 1999. It has a bright green color throughout the
 summer and then turns a stunning brilliant golden-yellow
 with crimson overtones in the fall. The original plant is now
 9' high and 12' wide and was selected as a seedling by
 Henry Homan of the Willowood Arboretum in the 1920's.
 A nice weeping or cascading form that is becoming more
 popular all the time. \$46 89 139 179 239 299 359 439

Acer Matsumurae (Butterfly Japanese Maple) 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 This nice variegated form of Japanese Maple has a cream
 margin on a blue-green leaf. The fall color is
 spectacular magenta where the cream was. This is one of
 the most desirable of the variegated cultivars. It is a large
 shrub or small tree that will attain a height of 3-4 meters. \$89 109 149 169 299 359 499 colored

Acer Palm. (Green Japanese Maple) - 20Hx15W 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 Seedling grown upright Japanese maple. A wide
 variation in form and/or leaf color make this an
 uncommonly beautiful tree. Fall color is usually red
 to orange. A good choice for the small landscape. \$46 89 139 179 239 299 359 439

Acer Palm. (Red Leaf Japanese Maple) - 20Hx15W 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 Japanese Maple that typically retains its red color from early
 Spring throughout the growing season. 'Atros' need sun
 to develop and retain good red color, but will benefit by
 protection from hot afternoon sun \$46 89 139 179 239 299 359 439

Acer Palm. (Bloodgood Japanese Maple) - Ht to 20' 2 gal. 3gal. 5gal. 7gal. |4' 5' 6' 7' 8' 10' 12' 14'
 A vigorous upright grower with large, deep red to
 blackish-red leaves that hold their color better than most of
 the other red-leafed palmatum, lasting late into the
 Summer. Fall colors are usually bright crimson. One of
 the most popular red uprights. \$46 89 139 179 239 299 359 439

Description Quantity of 10 or more purchased-5% discount

Acer Palm. (Butterfly Japanese Maple) - Ht to 12' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 A dainty but stiffly upright tree or twiggy shrub that has irregular blue to green leaves with a cream colored variegation on the edge. New leaf growth in the Spring frequently has pink coloration bordering the white markings. \$46 89 139 179 239 299 359 439

Acer Palm. (Emperor 1 Japanese Maple) - Ht to 12' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 A vigorous upright grower with large, red leaves that hold their color better than most red-leafed palmatums, lasting late into summer. Fall colors are usually bright crimson. \$46 89 139 179 239 299 359 439

Acer Palm. (Coral Black Japanese Maple) - Ht to 20' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 This upright form offers something for every season. A red tint graces the margin of the new leaves in spring; light green and somewhat soft and feathery leaves adorn the tree in the summer; fall leaves change to a predominately apricot tone with hints of light red, and the winter bark of the tree, especially the bark on the newer growth, is a brilliant coral color. \$46 89 139 179 239 299 359 439

Acer Palm. (Trompenburg Japanese Maple) - Ht to 15' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12'
 A strong, upright growing tree with a unique leaf form. The lobes radiate from a central point on the leaf and each one curls or rolls under like a tube. It is a rich, deep purple-red and does not burn in full sun. Fall color is crimson. \$89 109 149 169 299 359 499

Acer Palm. Dissectum (Garnet Japanese Maple) - Ht to 10-12' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12'
 14' Garnet is a vigorously growing, mounding shrub with a deeper red color than either Crimson Queen or Everred. Its finely cut leaves hold their color well throughout the growing season. \$\$89 109 149 169 299 359 499

Acer Palm. Dissectum (Orangeola Japanese Maple) 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 This finely dissected laceleaf maple has a nice refreshing weeping habit. The new growth is orangish-red during the summer while the mature leaves are greenish yellow turning a bright orange in the fall. Mature height is about 4-6 feet. Quite new to the trade being introduced in 1988 it is difficult to locate. \$89 109 149 169 299 359 499

Acer Palm. Dissectum (Tamukeyama Japanese Maple)-Ht to 10-12' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 Beautiful weeping laceleaf maple with rich purplish-red, laceleaf foliage which becomes spectacular shades of red in autumn. Wonderful accent to any landscape or mixed in small areas. \$89 109 149 169 299 359 499

Acer Palm. Dissectum (Viridis Japanese Maple) - Ht to 10-12' 2 gal. 3gal. 5gal. 7gal. | 4' 5' 6' 7' 8' 10' 12' 14'
 A dome-shaped, or round headed weeping dissectum with a bright green leaf. The leaves are deeply lobed. Yellow and orange tones dominate the tree in autumn. A small and graceful tree ideally suited for container growing or for use in tight places. \$89 109 149 169 299 359 499

Acer Freemanii (Autumn Blaze Maple) - 50Hx40W 1.5" 1.75" 2" 2.5" x3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"
 This Maple is a cross between the Red Maple and Silver Maple. Provides great scarlet fall color. Drought tolerant. Vigorous grower. \$125 140 163 218 299 359 449 489 599 729 870 990 1450

Acer Freemanii (Sienna Glen) - 60Hx40W 1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"
 Fast growing, hardy with uniform branching, pyramidal form. wet soils. Could be used as an Ash substitute. \$125 140 163 218 299 359 449 489 599 729 870 990 1450

Description	Quantity of 10 or more purchased-5% discount
<p>Acer Rubrum (Red Maple) - 60Hx40W Adapts well to a wide rang of climates and soil conditions.</p> <p>Grows rapidly to 60' and is even at home in wet soils. Pyramidal in shape when young, it will mature to a round headed tree. Green foliage in summer, fall color varies from yellows to reds. April brings a profusion of tiny red flowers covering the branches.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Rubrum (October Glory) - 40Hx35W October Glory is a preferred variety of Red Maple developed by Princeton Nurseries. The lustrous green foliage, becoming crimson red in the fall, will hold on a few weeks longer than the genus. Thank you, Princeton Nursery, for this outstanding tree.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Rubrum (Armstrong Maple) - 35Hx35W A fast grower with a columnar habit makes this a good choice for a narrow planting space. The gray bark and dark green leaves make a pleasant contrast. Expect scarlet fall color with some variation depending on soil acidity.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Rubrum (Brandywine) - 30Hx12W Columnar form that does well in plantings along streets. Brandywine has an intense red fall color which peaks as a brilliant purple-red before dropping its leaves. Peak is later than most rubrum varieties.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5"</u> \$125 140 163 218 299 359 449 489 599 729 870 990</p>
<p>Acer Rubrum (Red Sunset Maple) - 45Hx35W Red Sunset is a vigorous grower and occupies a place of prominence among the red maple cultivars. The summer leaves are a distinct glossy green that has no equal, followed by a showy display of orange to red fall color that makes this a truly outstanding selection. The crown is oval to rounded and uniformly branched throughout. Hardy to winter conditions</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5"</u> \$125 140 163 218 299 359 449 489 599 729 870 990</p>
<p>Acer (Princeton Gold) - 35Hx30W The foliage of Princeton Gold is an eye-catching bright yellow, holding the yellow color until leaf drop in the fall. Selected by Princeton Nursery. Slightly smaller in growth in growth habit to Crimson King, and produces an oval Shape as it matures.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5"</u> \$125 140 163 218 299 359 449 489 599 729 870 990</p>
<p>Acer Plantanoides (Emerald Queen Maple)-70Hx40W Rapid growth and great form are advantages matched by few other shade trees. The dark, glossy green foliage adds the third dimension needed to make this a good choice.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Platanoides (Fairview Maple)-45Hx35W A straight stemmed, fast growing maple, new leaves are a rich burgundy. Mature foliage is dark green to bronze. A strikingly beautiful and very symmetrical tree. More narrow and upright than Deborah.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Platanoides (Deborah Maple)-45Hx40W This fast growing form of Norway Maple, discovered in 1967, has an excellent upright branching and provides a lovely head. The brilliant red new foliage turns bright green as it matures.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5"</u> \$125 140 163 218 299 359 449 489 599 729 870 990</p>

Description	Quantity of 10 or more purchased-5% discount
<p>Acer Platanoides (Crimson King Maple)- 40Hx35W Purple leaves grace this round headed tree throughout the growing season. Slower growing than the species. The most popular of all red-leafed Norways.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Plat. Drummondii (Silver Variegated Maple)35Hx25W Light green leaves with white margins sets this tree apart from The other Norway Maples. A round headed tree with character.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Plat. (Norwegian Sunset Red Maple) 35H x 25W An upright oval tree with excellent orange-red color in fall. Has a nice branching structure and a uniform canopy. Dark green glossy foliage.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Sacc. (Sugar Maple)-45Hx40W This maple is less vigorous than the Norway Maple, but matures at a greater age. It has one of the finest autumn colorations of any tree in North America. The spectacular autumn colors are orange, gold, scarlet and tints of apricot.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Sacc. (Green Mountain Sugar Maple)-45Hx35W This Sugar Maple has a desirable oval crown of dark green leaves that turn orange to scarlet in the fall. The thick leaves of this cultivar prevent damage from the hot winds that commonly burn the foliage on Sugar Maples.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Acer Saccharum (Legacy Sugar Maple)-50Hx35W A fast growing Sugar Maple with heavy inner branching, Leaves are shiny and resistant to leaf tatter. The fall color is a beautiful red with shades of orange, pink and yellow.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Aesculus x Carnea (Briotii Horsechestnut) - 30Hx40W Rounded to broadly rounded tree with deep red flowers borne on 10" upright panicles. Clean, dark green foliage resistant to foliar disease.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Amelanchier (Autumn Brilliance Serviceberry)-20Hx15W A fast growing tree with impressive soft, white blossoms in spring. Dark green disease resistant leaves turn brilliant red in fall.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" Clump 4' 5' 6' 7' 8' 10' 12'</u> \$135 160 199 239 289 339 439 91 124 157 194 220 269 399</p>
<p>Amelanchier Canadensis (Shadblow Serviceberry)-20Hx15W This form of Serviceberry is an upright, multi-stemmed shrub or small tree. Leaves are covered with a fine grey fuzz when young but will mature into smooth dark green leaves with orange, red and yellow fall color. Produces dense white flowers followed by red-purple fruit.</p>	<p><u>3' 4' 5' 6' 7' 8' 10' 12'</u> \$81 91 124 157 194 220 269 399</p>
<p>Amelanchier Lamarckian (June Berry) - 10Hx5W Colorful foliage, spring and fall, white flowers and black berries.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" Clump 4' 5' 6' 7' 8' 10' 12'</u> \$135 160 199 239 289 339 439 81 94 107 134 160 239 349</p>
<p>Aucuparia Michred (Cardinal Royal Mountain Ash)-35Hx20W A very narrow upright Mt. Ash. Its branches are symmetrical with rich, dark green leaves that are silver on the underside. The clusters of berries are a brilliant red.</p>	<p><u>1.5" 1.75" 2" 2.5" 3" 3.5" 4" 4.5" 5" 5.5" 6" 6.5" 7"</u> \$125 140 163 218 299 359 449 489 599 729 870 990 1450</p>
<p>Avellana Contorta (European Filbert) Harry Launder's Walking Stick. This plant has a very contorted branching structure. It is nice all year round but in winter it's in its prime.</p>	<p><u>3' 4' 5' 6' 7' 8' 9' 10' 12'</u> \$139 209 269</p>

Description	Quantity of 10 or more purchased-5% discount
